Chardonnay

Bright pale straw in colour. Fresh fruit blossom aromas with hints of brioche. The palate displays subtle stone fruit flavours with a delicate complexity and soft creamy lees with a sorbet like nature acidity on the finish.

Arneis

A variety that is a style of its own, combining delicate lemon blossom flavours with a powerful yet elegant structure. For me it is one of the best white wines for matching with a wide range of fuller flavoured meals.

Pinot Grigio

Made in the classic Grigio style of Soft Subtle and Crisp. Lemon blossom and granny smith aromas are followed by ripe Nashi pear fruit flavours, balanced by the crisp natural acidity and dry finish.

Riesling

Lively lime and citrus flavours jump out on the nose, followed by a silky smooth, fresh palate and a dry minerally crisp finish. This wine is designed to be consumed chilled and will be a fantastic accompaniment to spicy Asian dishes and creamy pastas.

Verduzzo

Aromas of citrus and lime blossom with a textural and classic varietal chalky phenolic on the palate. This variety has a reputation for being a red wine drinkers white!

Gruener Veltliner

Similar to Riesling, Gruener will give you a lively acidity with exploding pops of white pepper, green beans, lime and lemon zest. This wine is unique and a perfect palate cleanser for richly flavoured foods.

Dolcetto

Made in a Nuovo style with the fresh varietal aromas of Raspberry and Blackberry jubes. The bright purple hue and a soft savoury palate show why this variety has a lot more to offer than the sweeter styles of Dolcetto. A wine to match with a wide range of meals; from seafood's to warm salads through to poultry and game meats.

Sangiovese Barbera

Made in a Nuovo style with the fresh varietal aromas of Raspberry and Blackberry jubes. The bright purple hue and a soft savoury palate show why this variety has a lot more to offer than the sweeter styles of Dolcetto. A wine to match with a wide range of meals; from seafood's to warm salads through to poultry and game meats.

Girls Block

Only our 4th release of our flagship 'Girls Block' (previous vintages 2004, 2008 & 2010) This vineyard is only 1 hectare in size directly opposite our cellar door and is planted to Petit Verdot, Cabernet Franc, Cabernet Sauvignon and Malbec four of the classic French varieties that are traditionally used in the production of the great Bordeaux wines. The wine exhibits intensely ripe blackcurrant, typical of good Cabernet's with an almost menthol, herbaceous finish from the delicate Petit Verdot.

Barbera

We have attempted to make an approachable soft lighter style of dry red; a wine that could be served chilled or matched with lighter style white meat dishes. Vibrant cherry red in colour with fresh aromas of dark fruits and spice.

Pinot Noir

A variety that continues to mystify me! Displaying a distinctive cherry red hue with bright varietal aromas. The palate is soft and complex with the different winemaking techniques each adding a layer of structure that balances the wine and provides a lingering silky finish

'TNT' Tempranillo Nebbiolo Tannat

Inspired by the love of savoury textural wines that combine power with finesse! A multicultural blend crossing 3 borders of some of the most passionate cultures we know and love. The juicy fruit flavours of tempranillo balanced by the powerful finesse of Nebbiolo and the monstrous personality of Tannat.

Tempranillo

Classic dark cherry and spice aromas are balanced well by the brooding ripe plum and tobacco leaf flavours on the palate

Saperavi

The first and lasting impression one gets of this wine is the beautiful dark, deep and rich red colour. On the nose there are flavours of blackberries, mulberries, and ripe cherries. These delightfully enticing flavours are also very evident on the palate, where they are complemented by an enticing sweetness. The wine will soften in the bottle, and the tannins are, although quite plush and talc like, still nicely firm and mouth-filling. Saperavi is ideal for meats such as steak and game.
